### Supplier Profile Instructions / Helpful Tips

Please complete the profile form in its entirety. If the profile is not completed correctly then, you will receive a message indicating the issue upon selecting the Submit button. Tips identified below may be of assistance for completing the profile. Once submitted, the profile will flow through an approval process which consists of verifying your provided information. You will be notified of approval upon entry into our supplier database.

Tips:

- Link to the supplier profile is located at [www.gdls.com](http://www.gdls.com) under the Suppliers tab

- NDA Only (non-disclosure agreement) should **not** be selected when procurement activity is anticipated
